

TRANET GLOBAL QC LIMITED

OUR CORES VALUES

Doc. No.: TGQL/CDD/001

Rev.00; JULY. 09. 2019

Ecosystem Friendly

We are strongly committed to preserving the ecosystem through implementation of our environmental preservation policy, continuous environmental based awareness creation and implantation of a

nanalace custom

Safety

It is our strong desire and target to ensure a safe workplace for our personnel & relevant interested parties. Our top safety goal is Zero incident throughout our operations.

Strong Customer Focus

Customer Focus

100% Customer Satisfaction is one of our objectives, hence we are committed to understanding the needs of our customers and providing them with highest quality services which comply with statutory, regulatory and contractual requirement as well as the requirements of ISO 9001:2015 & ISO 17020:2012.

Teamwork

We believe in Teamwork and in our People ... Together Everyone Achieves More (TEAM). Our emphasis is to continually build a strong team of experts whose skills and experiences are rewarded towards building a sustainable and ever growing organization.

Innovation

While seeking to become one of the leading Quality Control Inspection Company in Africa and beyond, we SHALL continually improve our system through strategic initiatives such as Understanding the Needs and Expectation of our Interested Parties, undertaking Corporate Risk and Opportunity Assessment, Human Capital Development (HCD), up-to date Equipment and Software deployment towards ensuring customer satisfaction.

Work Ethics

We ensure a high level of professionalism throughout our service rendition. Our teams of experts are highly trained professionals and are committed to ensuring delivery of professional services. Our employment processes are based on established due diligence.
