

TRANET GLOBAL QC LIMITED QUALITY POLICY STATEMENT

Doc. No.: TGQL/CPS/001

Rev.01; Feb. 09. 2019

TRANET GLOBAL QC LIMITED (TGQL) is a provider of Management System Consultancy Services including but not limited to Training of Personnel, Quality Management System Auditing, Documentation, Accreditation and Certification Guidance.

We also carry out Quality Control and Inspection services to the Oil and Gas Industry in Nigeria and Africa.

We maintain a strong customer focus and are fully committed to rendering to our clients the highest quality services in line with relevant contractual, statutory and regulatory requirements. We are fully committed to understanding, meeting the needs and exceeding the expectation of our Clients as well as the requirements of other relevant interested parties including the applicable certifying bodies for ISO 9001:2015 International Standard.

We operate and have documented a Quality Management System with detailed strategies in compliance with the requirements of ISO 9001: 2015 and are committed to continual improvement of all aspect of our operations.

This Quality Policy forms a framework on which our Quality Objectives have been set up covering our core Processes and operations which are reviewed continually, monitored and measured to ensure continuing suitability and attainment.

The Leadership of TGQL is committed to ensuring that required resources relevant to the fulfillment and maintenance of this Policy are provided.

The Quality Manager and other Process Heads have the executive authority to ensure the implementation and monitoring of the Quality Management System as applicable. They have been empowered by the Managing Director to reject, stop, or withhold any activity related to our service delivery not likely to meet stated requirements for quality.

This documented Quality Policy Statement is communicated, understood and implemented by all personnel of TGQL and is reviewed periodically for continuing suitability.

This policy is also made available to all relevant interested parties through various means including our company website.

Azoka, Chris. C.
MD/CEO
